### TERMS

The following items must be complete and returned to Sage Freight before an advance will be given: This form, the signed BOL showing the shippers signature and carrier MC #, and the rate confirmation. MC# on truck loading must be associated with the carrier name listed on the rate confirmation. Fees per fuel advance: 3% of funds being advanced. Sage Freight will never advance more than 50% of the agreed total rate. Sage Freight requires ALL advanced loads be delivered per contract or a minimum \$200.00 fee will apply. No outside or other advances can be taken on loads advanced by Sage Freight and are prohibited. A minimum \$200.00 fee will apply. If outside advance are taken Sage Freight reserves the right to charge the full line haul of the load advanced on back to the carrier. Advances are paid via Comcheck only. This form represents our fuel advance program only and is separate from our quick pay program. Paperwork must be received by 12:00 PM EST to be processed same day. All others will be processed the following business day. Same day expedited service for advances received after 12:00 PM EST and before 5:00 PM EST is available upon request for an additional \$25.00 per load processing fee.

Sage Freight reserves the right to require original paperwork before payment by any method. Sage Freight reserves the right to forgo quick pay or advances at any time and pay invoices within the Sage Freight broker carrier agreement terms. Sage Freight will never fulfill final payment without a hard copy POD. Sage Freight enforces strict policies on advances and will never alter its policy's to meet carrier demands or threats outside of our broker agreement, rate confirmation, or by any means. Carriers acting in such manner maybe blacklisted and reported to broker list, TIA Watchdog, ITS, carrier 411, and other industry specific list.
